Please do not drink and drive! A blood alcohol level of .08% happens faster than you would think, and even if you don't feel impaired you just might be over the limit. We appreciate you and care about you – and someone probably loves you a lot, maybe many people! Either way, none of us want anything bad to happen to you, so if you think you shouldn't drive – or if someone else thinks you shouldn't drive – please call a cab, take an UBER, ask a friend, or let one of us know, and we will make sure that you find a way home without endangering yourself or others.
